1. Introduction

This Cookies Policy explains how The MAZE Group CiC uses cookies and similar technologies on our website www.themazegroup.co.uk ("Site"). We are committed to protecting and respecting your privacy in compliance with UK data protection laws, including the UK GDPR and the Privacy and Electronic Communications Regulations (PECR).

2. What Are Cookies?

Cookies are small text files placed on your device when you visit our Site. They are widely used to make websites work, enhance your browsing experience, and provide information to website owners.

3. Types of Cookies We Use

We use the following types of cookies:

a) Strictly Necessary Cookies

These cookies are essential for the operation of our Site. They enable core functionality such as security, network management, and accessibility. You may disable these by changing your browser settings, but this may affect how the Site functions.

b) Performance Cookies

These cookies collect information about how visitors use our Site, such as which pages are visited most often. All information collected is aggregated and anonymous. These cookies help us improve the Site's performance.

c) Functionality Cookies

These cookies allow the Site to remember your choices (such as language or region) and provide enhanced, personalised features.

4. Third-Party Cookies

We may use third-party service providers, such as analytics and advertising partners (e.g., Google Analytics, Facebook Pixel), who may set cookies on your device when you interact with our Site. These providers have their own privacy and cookies policies.

5. Managing Cookies

When you first visit our Site, you will be presented with a cookie banner requesting your consent to use non-essential cookies.

You can manage your preferences at any time by accessing our cookie settings [Insert link to cookie management tool, if available].

Alternatively, you can set your browser to refuse some or all browser cookies or to alert you when websites set or access cookies. The following links explain how to manage cookies in different browsers:
